# Movina Story

At Movina, we design with purpose, creating timeless furniture defined by craftsmanship, beauty, and integrity. We believe furniture shapes how people live and connect, so every piece is built with precision, quality, and enduring style.

Partnering with a world-class manufacturer trusted by leading retailers and hospitality brands worldwide, we combine thoughtful design with dependable large-scale production. From custom orders to hotels, restaurants, and condominium projects, we deliver consistent quality, reliable lead times, and spaces that feel like home.

**MISSION:**

**To create innovative, high-quality furniture that blends style, function, and lasting value while building trusted partnerships and delivering reliable, sustainable solutions.**

**OUR VISION:**

**To be a globally trusted partner known for integrity, innovation, and excellence, driving lasting success for our clients, people, and communities.**

# Our Partners & Clients

We collaborate with a world-class furniture manufacturer trusted by leading retailers and hospitality brands across North America, the UK, Australia, New Zealand, the UAE, and China. This partnership combines modern design with dependable large-scale production—delivering furniture defined by craftsmanship, precision, and lasting quality.

Supported by advanced facilities and strict quality control, we provide consistent lead times, competitive pricing, and scalable solutions for retail, commercial, and hospitality projects.

Our partner serves respected brands including **Rooms To Go, Living Spaces, American Signature Inc., Value City Furniture, Jerome's Furniture, Cardi's Furniture, Amart Furniture, and Big Save Furniture.**

Notable projects include **Embassy Suites by Hilton Berkeley Heights, Duke University, and Chancellor House Hotel,** demonstrating our ability to deliver durable, design-forward solutions for high-traffic environments.
